

Our Vision at TechLadies

In a gist

#techladiesgather
Networking and support to foster a feeling of community

#techladieslearn
Peer-to-peer learning, hands-on and soft skills workshops

#techladiestry
A wildcard social event - yoga/food/games and all things tech, under the sun!

About our events

Mentorship

A mentorship event that pairs women who are transitioning into or establishing themselves in the tech industry with industry practitioners.

Skill based events

Planned Byte sized events for the community to come together for enhancing soft skills and mentorship

Social Meet ups

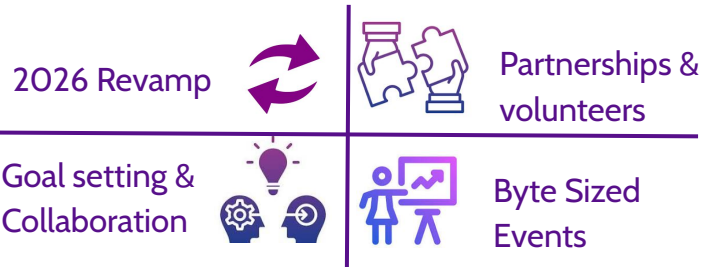

Meet fellow TechLadies through in-person or online discussions, social events or fun hangouts! TechLadies Meet is open to women of all stages in their career.

Community

Beyond programs and events, TechLadies is a community. Join us online for the latest industry news, highlights on awesome women in tech, and get support on your journey in tech.

What's next for TechLadies

Look out for more info on our Socials in 2026! 🤖
